# *From the President....*

Hello, LSMC Family!

It's February already. Have you gotten your "Febrany" sandwich deal at Subway? No, we're not having our meeting there, but finding another place has been a challenge. Restaurants aren't terribly cooperative. I'm writing this on the road – on the way back from Oilton, TX (Garmin couldn't find it, either) – so Janine has had to make the arrangements (she always does, anyway). She tried for DAYS to get Los Lupes in Irving, but the short version is, no luck. We haven't been to Crystal's Pizza and Spaghetti for a few months and are very accommodating for us, even on short notice. Meeting will be Wednesday, February 13. Room available at 6:30, meeting at 7:00.

March is elections month. Yeah, I know we'll be swamped with nominations, and campaign literature and emails, but we'll just have to gut it out. I HOPE others will be willing to take a turn at one of the officer positions. I would like to be replaced as president this year. We also will need a treasurer because Bill is moving out of the area. The secretary job also is open. Vice president might be. Richard has put a lot into the job this last year and deserves a break! Janine will likely be (as usual) our perennial membership officer. She does an excellent job, but would be willing to give someone else a turn at it, if anyone is interested. Please do keep elections in mind this month and either run for an office or nominate someone you think would do a good job at one of the positions. We will contact them to find out if they will accept the nomination.

We have been discussing several venues for the elections meeting, which is always held on a Saturday. We have had it at Olive Garden several times. They offer an excellent deal on a choice of meals at a very good price. There also is the New New Chinese Buffet and a few other places as well. We are also open to suggestions. We could try a little different approach with a road trip to Loco Coyote and hold the meeting outside (we've done that before, too), but I'm not too sure what the March weather is going to be like.

We have been planning to have the "Christmas" party in March, but then realized this also needs to be on a Saturday so I suggest we push it to April. So far, my plan is to have it at the Bavarian Grill in Plano. We had it there once many years ago. The meal was excellent and at a very good price. Some of the other places have just gotten much too expensive to consider any of them. We have had the party at Oasis once, but it's hard to get them to guarantee the room for us. We just don't have a big enough group for a lot of these restaurants. I'm definitely open to suggestions on this, too.

Janine came up with an interesting list of Texas towns with an international flavor (Paris, Italy, etc.) and funny names (Dime Box, Ding Dong, Cyclone, Bug Tussle, etc.) for some fun places to visit. Of course, besides a road trip to one of these places (there is NOTHING in Ding Dong), we want something on the other end worth the visit. We do need some stuff to do this year so everyone put your thinking caps on. If you don't want to plan/lead a trip, please do still make suggestions! There are many places we've gone in the past that are really great trips and we haven't been to some of them in quite awhile so those are worth thinking about, too.

Don't forget the photo sharing site at <http://lonestarmiataclub.shutterfly.com/>. You have to create a free Shutterfly account to gain access. I know many of you (including me) already had a Shutterfly account, so it should be an easy way for us to share photos of events and "stuff."

When you lead a drive, please download and print participant waivers from <http://lsmiata.wordpress.com/events/>. There is a track waiver and a street/rally waiver, so print the right one. It's a good idea to have maps with your phone number printed on them for a trip. Also be sure to bookmark the home page <http://lsmiata.wordpress.com> to get all the latest information about us.

Janine has cards to leave on Miatae we see out and about. This is a great way to invite them to the club. Pick your cards up from her.

I have included all the upcoming events I know about. If you have anything you would like to see in the newsletter please let me know.

Webmaster Anthony has updated the forwarding on the [editor@LSMiata.com](mailto:editor@LSMiata.com) address so it will reach me. Alternatively, please feel free to contact me directly at [JuliaKuhn90@alumni.unc.edu](mailto:JuliaKuhn90@alumni.unc.edu).

**Hey, NICE Miata!**

DALLAS / FT. WORTH

# Miata Meeting Minutes

Notes this month are from Newsletter Editor Julia Kuhn:

December meeting held Jan. 16 at Golden Corral in Irving, Vice President Richard Rogers presiding.

Old business:

- Richard and Ann Anderson led the group through Prairie Lights in December.
- Richard Rogers hosted a walkthrough of Christmas decorations in Grapevine, after a dinner at Esparza's. About 20 people attended, and Richard said the restaurant has great margaritas.
- Don't forget club dues are due, \$30 for the year. See Janine for membership.
- John Nagely rode his bike through the Interlochen Lights for the holidays.

New business:

- Club elections are in March (see Craig's letter for details)
- See the newsletter announcement for the Rockies Romp sponsored by the Kansas City Miata club
- Miatas at Eureka is June 7-9
- Members suggested a Twisted Sister run
- John Nagely has suggested doing a Cowtown marathon run, similar to the run Richard Rogers led for the Dallas marathon
- Richard Rogers is looking into having a Miata Club presence at the Dallas Auto Show in March.
- Tim Moran is getting info on participating in Autorama at the Market Center
- The North Texas Mustang Club will have their car show at Cracker Barrel in Lewisville. The Miata club participated last year and won some prizes.
- A suggestion was made to create a phone tree for spontaneous road trips.
- Club members discussed ways to partner with local dealerships to publicize the club. No final suggestions were made, but ideas included posters at the dealerships, having members "adopt" a dealer they touch base with regularly, and having members meet at dealerships before meetings and caravan to the meeting. We also talked about offering a reduced club rate to new Miata owners/buyers.

Door prizes went to the Morans, the Loves, Charles Ferguson, the Dodgens, and the Nagelys. Irene Phillips won the 50/50 drawing.

Club news

Editor's note: We have not had a history of putting personal news in the newsletter, but we had some events occur last month that deserve dissemination. We are a community and I think this type of thing should be a regular feature of the newsletter. Craig and Janine celebrated their 43<sup>rd</sup> anniversary on Jan. 16, the night of the club meeting. Unfortunately they were unable to join us because Janine's mother died that week. Also in January, the daughter of longtime members Stan and Margie Beckham was killed, and Tom McGrath has had some health issues. Please keep all these folks in your thoughts.

Item of interest:

No one in Texas has ever been able to own the word HOUSTON on a personalized license plate. That changes January 25 at the 2013 Houston Auto Show.

The Great Plate Auction 2013 will allow one Texan to own HOUSTON. My Plates will auction 10 select, highly sought-after license plates. Most have never before been available. HOUSTON is one of them. My Plates will announce the other Auction plate messages in the next few weeks. The winner of HOUSTON will own it for ten years, with first dibs on renewing it. That means, once the message is won at auction, it could be gone forever. Our auction plates are transferable, which means winners have the right to resell the plates to someone else, who also has the right to resell and so on.

Register your interest at [www.myplates.com/auction](http://www.myplates.com/auction)

# **From our Facebook page:**

**Phil Elmore says: My son and I are big road racing fans, and go to 1 or 2 races a year. So I see a couple of announcements about a BMW car corral at the COTA Grand Am weekend on March 1-2 down in Austin, and wonder if Mazda is doing anything given they sponsor a number of cars in both Grand Am and Continental Challenge (and the entire Por Mazda series). Well it turns out Mazda does have a car corral all set up, with parking and seats at turn 1!**

**Here is the deal. While all the seats are \$59, to get into the Mazda corral you need to call Nick at COTA at 512 536 1464. Our Mazda section is T1, Section 4 where you will have seats. You will also want a parking pass for the weekend for \$30 where you can park your Mazda near our seating section.**

**I'm going to follow up with Nick on what other benefits there are for the Mazda corral, but the other corrals I've seen have mentioned parade laps and driver appearances. Stand by on that.**

**If you've never been to a sports car road race, they are really fun. The paddocks are open to walk through, and if they are not busy the crews are generally happy to talk to you and show off thier cars. There are autograph sessions with the drivers. And this is not one race, there are three (Pro Mazda formula cars, Continental Challenge, and Grand Am).**

**Let me know if you have questions and help me spread the word to other Mazda people.**

## Newsletter Submissions & Distribution

Ads, announcements, articles, trip reports and other contributions to the newsletter are **encouraged**. Email submissions to [Editor@lsmiata.com](mailto:Editor@lsmiata.com). Attachments may be in .pdf, .txt, Word or WordPerfect format. Pictures may be in any of the usual formats such as .gif, .jpg, .png, etc. If I have any problems with document or picture format, I will contact you. Don't worry about spelling, grammar, artwork, layout, etc. I'm just pleased to receive input and will take care of the editing and cosmetics! Also, if you find something interesting online, please send me the link. Input is welcome anytime, but must be received prior to the publishing deadline (usually the first of the month) to be in the next issue.

NOTE: If you want the newsletter sent to more than one email address, your secondary driver, or anyone else, please send your name (so I know you're a member) and the email address(es) to [Editor@lsmiata.com](mailto:Editor@lsmiata.com).

ANOTHER NOTE: Member in Good Standing (you've paid your dues) may submit ad copy or info on their business. Does **not** have to be a Miata- or car-related business, but it must be **your** business. Others may advertise, too, for a fee. Contact the [President@lsmiata.com](mailto:President@lsmiata.com) for details.

## Two-Way Radios

For more fun on drives, if you don't have a two-way radio, get one. Without one, you miss out on a lot of chat and decision making as to stops, etc. Most importantly, should you get separated from the group or have car trouble; it makes it much easier for us to find you and assist you! LSMC uses GMRS/FRS radios for better range and reception. An operating license is not required when used in the FRS range.

## Stuff for Sale and Announcements

LSMC permits all members in good standing to place a free ad or event announcement in the LSMC Newsletter. The item should relate to the Miata or Club activities. This includes activities hosted by other clubs, Car-related events of general interest are also welcome. Contact the editor at [Editor@lsmiata.com](mailto:Editor@lsmiata.com) to place an ad or announcement.
