# From the President....

April 2015

By the time you get this March newsletter March Madness will be done and we can all focus on enjoying rides in our Miatas, and that is not April Fool's joke.

For those that want to ride to Kerrville as a group I have included the route we are planning to follow to Kerrville for the Bluebonnet Roundup. Hopefully the bluebonnets will be in full bloom by then for us to enjoy.

We will meet at I-20 and Highway 51. Take the Highway 51 exit off of I-20 (exit 408). Go south over I-20 and the Shell Station is on your right immediately after crossing I-20. Be there by 9:30 on Thursday, April 23, and plan to leave the Shell station at 10 AM. The ride to Kerrville is 250 miles and will take about 6 hours, which includes an hour for lunch and a couple of rest breaks.

A map and directions are available here:

<https://www.dropbox.com/s/v1op9j7e07joefz/2015%20Bluebonnet%20Roundup%20rev%201.pdf?dl=0>

The next upcoming events are listed below:

- April 12 Texas Ranger Game
- April 18 Bluebonnet run to Ennis

- August 8 Mustang Club Car Show at Cracker Barrel in Lewisville
- October 4 (Tentative) Texas State Fair
- October 31 Eureka Springs Ride

The April meeting will be on Thursday, April 30, at 6:30 PM at Fuddruckers in Grapevine.

The May meeting is tentatively set for May 30 in McKinney at Lone Star Winery, 103 E. Virginia St. Time is TBD. I am told if you are not a wine drinker you can bring your own beer. We will have some sort of lunch brought in and ask each person attending to donate \$10 to cover the cost of lunch. Wine Tasting Texas Style is \$6.80/person to taste 3 estate wines & 1 reserve.

(Update from Richard: The latest word from the Rangers is that the tickets are in the mail. I will let you know when I get the tickets and the times for meeting at the parking lot and the time we can go into the ballpark. The game is at 2 pm. It looks like our seats are in Section 333, Row 13 and 14, Seats 4-9. We might even have assigned parking spaces since it says numbers 332-337. I am checking on that).

# Miata Challengers

This past Sunday, March 29, was such a pretty day, we thought we would go for a drive with the top down to the two 2015 Texas Miata Challenge locations just south of the DFW area. These are the Willie Nelson Abbott Grocery Store in Abbott, TX, and the Burial site and Monument for Elizabeth Crockett at Acton Cemetery in Acton, TX.

We left Dallas heading south on I-35E.

We left I-35E at exit 408 where we headed south on hwy 77.

We had a pleasant drive through Waxahachie, Forreston, and Italy.

At Milford we headed south on Hwy 308.

We drove Hwy 308 through Mertens.

At Irene (actually just before Irene), we turned west on Hwy 1946. This was a good country drive on a curvy road.

At Bynum, we turned south on Hwy 171 for about 1/2 mile then turned west on Hwy 1242.

Hwy 1242 took us to the Abbott Cash Grocery, where the friendly lady made us some good ham and cheese sandwiches for lunch.

The building is owned by Willie Nelson, and she said that Willie had requested that the "Willie" road signs be removed, along with other "Willie" signs.

After the lunch break, we got back on I-35 heading north.

We exited I-35 at 368A for Hwy 171 going west.

We drove on Hwy 171 through Covington and into Cleburne. This is a fun road with lots of hills and turns.

After going through the main part of Cleburne, we turned west on Hwy 4.

Hwy 4 eventually crossed U.S. 67. Hwy 4 is another fun hilly and curvy road.

Just as we were coming into Acton, Hwy 4 turned right and the cemetery is on the left. It was easy to see the Elizabeth Crockett memorial; it's the tallest one in the cemetery.

Where we could park Pepper (our Miata), the statue was way in the background. So we set up the tripod and got a picture using telephoto to make the statue look bigger.

We left Acton on Hwy 4, which became Hwy 167 north.

Hwy 167 intersects with U.S. 377. So we headed home on 377.

It was quite a pleasant drive. Of course we forgot the sunscreen, so had some red skin Sunday evening.

Terrie and I are now halfway through the 2015 Miata Challenge, and looking forward to the Roundup in a few weeks and future drives to south Texas for more challenge sites.

Thanks  
Richard Rogers

## LSMC 5<sup>th</sup> Annual Ancient Ovens Fun Run June 13, 2015

Time for another fun run! New and old roads and definitely new game questions for 2015!

**The Details** - Meet at the ticket box office (on the back side of the building) of Texas Motor Speedway for instructions and clues. Watch for an Evite with time details. Please be sure to have a full tank of gas when you arrive because the course is about 100-120 miles long.

After the run, we'll meet up in the town square of St. Jo for the drive down the hill to Ancient Ovens. Word of warning – the road and the driveway to Ancient Ovens is hard packed dirt/gravel. It's not bad but you wouldn't want to race down that road! Denis will let us in to park our cars in the car corral so we must arrive there by 7:30 pm.

**Dinner** – we will be seated at a large table (or 2) just for us. Tea, water and ice are provided. It's also BYOB – bring your own booze. Dinner is served per course buffet style. Eat all you want – you won't go hungry! Check out their web site [www.ancientovens.com](http://www.ancientovens.com).

**We have space for 24 people, and this deal fills up fast so don't delay in RSVP'ing.**

**RSVP & Payment** – the fine print– To RSVP your spot, we need to collect full payment up front. It's still just \$23 per person (\$20 to eat, \$3 for tip). This is because of the large number of no shows from last year's event! Denis only prepares enough food for what we tell him, so that means his costs are fixed per our reservation.

Any questions or concerns, just let me know.

Spring is road rally time, and we are ready to fill the need with the **Spaghetti Western Rally**.

A country drive from Grapevine to Nocona should get those juices flowing. A bit too early in the year for Bluebonnets, but still a fun getaway from city traffic. You might ask what a city named after an Indian chief and famous for cowboy boots has to do with pasta? Well, you will just have to register and get your General Instructions, so you can find out.

The boots are gone, but now there is the Horton Classic Car Museum for you car buffs. See <http://www.hortonclassiccarmuseum.com> for a preview. And we couldn't find a restaurant big enough for all of us in Nocona, so we will give you about an hour and a half to do lunch on your own (a restaurant list will be provided) and visit the car museum if you like. Then we will all gather at the Tales 'n' Trails Museum (western memorabilia) at a given time for the awards ceremony.

Richard and Juanita Miller are creating this event for you. Their brand of humor starts right with the title of the rally, and doesn't end until you find the last sign along the route. If you liked the Great Pumpkin Rally, you will certainly enjoy this one. The Horton Museum is at 101-199 W Walnut, and the Tales 'n' Trails Museum is at 1522 US-82, both in Nocona.

You are invited to help us get the 2015 rally season started. The schedule looks like this:

- 25 APR Spaghetti Rally
- 30 MAY DFW Map Rally
- 11 JUL Clear Blue Sky Rally
- 15 AUG tba
- 19 SEP Tour To The Tombstones
- 24 OCT Great Pumpkin Rally
- 05 DEC Children's Book Run

Breaking news: One of our committee has volunteered to do a Winter Rally early in 2016, so our season will start a little earlier next year.

The Texas Region rally committee wants to thank you all for your support, whether it was just one event around the turn of this century, or several just last year. In 2013 the Texas Region SCCA Regional Rally Program was declared the "Best Rally Program" in the entire club, and just last year, statistics showed we were the largest SCCA rally program in the country. We couldn't have done that without you!

# Recipe

Summer is only a few months away. That means road trips on hot, sunny days, and what's better when you return home than a nice bowl of home-made ice cream?

So, with no further ado, here is a recipe that my father developed after we moved to a savage land to the north where Blue Bell™ was not available. I have a six-quart freezer, so that's the recipe I'll share. After that I'll list modifications for a 4 quart freezer.

## Ingredients:

3 cups sugar  
6 eggs  
2 cans Eagle brand sweetened condensed milk  
2 cans Pet evaporated milk  
½ teaspoon salt  
1 tablespoon vanilla extract  
1 quart heavy cream  
Whole milk to fill the tank to the fill line.

## Directions

Mix the first five ingredients until thoroughly blended.

Optional step 1: Cook the mixture over low heat to no more than 140 degrees for approximately 10 minutes. This will slightly coagulate the eggs, resulting in a more custard-like texture.

Optional step 2: Chill the mixture in the refrigerator. This will speed the freezing process, resulting in a smoother texture.

Add the vanilla extract.

Pour the mixture and cream into the freezer tank. Fill to the freezer fill line with whole milk. Freeze per your machine's instructions. For longer term storage, I recommend dividing the ice cream into 1-quart containers. This allows for the addition of other flavors (such as peppermint and Andes Mint chunks), and reduces the amount of melt-and-refreeze when you serve the ice cream.

For a four-quart freezer:

2 cups sugar  
4 eggs  
1 can Eagle brand sweetened condensed milk  
1 can Pet evaporated milk  
¼ teaspoon salt  
2 teaspoons vanilla extract  
1 pint heavy cream

Don't forget the photo sharing site at <http://lonestarmiataclub.shutterfly.com/>. You have to create a free Shutterfly account to gain access. I know many of you (including me) already had a Shutterfly account, so it should be an easy way for us to share photos of events and "stuff." We also share photos on Facebook, so join us at the Lone Star Miata group.

When you lead a drive, please download and print participant waivers from <http://lsmiata.org/events/>. There is a track waiver and a street/rally waiver, so print the right one. It's a good idea to have maps with your phone number printed on them for a trip. Also be sure to bookmark the home page <http://lsmiata.org> to get all the latest information about us.

Janine has cards to leave on Miatae we see out and about. This is a great way to invite them to the club. Pick your cards up from her.

I have included all the upcoming events I know about. If you have anything you would like to see in the newsletter please let me know. Please feel free to contact me at [newsletter@LSMiata.org](mailto:newsletter@LSMiata.org).

Don't worry about spelling, grammar, artwork, layout, etc. I'm just pleased to receive input and will take care of the editing and cosmetics! Also, if you find something interesting online, please send me the link. Input is welcome anytime, but must be received prior to the publishing deadline (usually the first of the month) to be in the next issue.

NOTE: If you want the newsletter sent to more than one email address, your secondary driver, or anyone else, please send your name (so I know you're a member) and the email address(es) to [Newsletter@lsmiata.org](mailto:Newsletter@lsmiata.org).

ANOTHER NOTE: Member in Good Standing (you've paid your dues) may submit ad copy or info on their business. Does *not* have to be a Miata- or car-related business, but it must be *your* business. Others may advertise, too, for a fee. Contact the [President@lsmiata.org](mailto:President@lsmiata.org) for details.

## Two-Way Radios

For more fun on drives, if you don't have a two-way radio, get one. Without one, you miss out on a lot of chat and decision making as to stops, etc. Most importantly, should you get separated from the group or have car trouble; it makes it much easier for us to find you and assist you! LSMC uses GMRS/FRS radios for better range and reception. An operating license is not required when used in the FRS range.

## Stuff for Sale and Announcements

LSMC permits all members in good standing to place a free ad or event announcement in the LSMC Newsletter. The item should relate to the Miata or Club activities.
