# *From the President...*

We had another large turn-out for our meeting this month with 40 people attending. Congratulations to Jack Haley for winning the 50/50.

I would like to thank Doug and Yvonne for putting together, testing and leading the Tishomingo run on January 27th where they had some great fried pies and hooked up with the Oklahoma City Miata Club for a fun day.

We had around 20 show up at the Miata Supper Club for a good Fat Tuesday dinner at Boo Rays in Fort Worth. Thanks, Stevan Boyd. We had a fun time.

Coming up for February/March will be the Cowtown Marathon ride that will be led by John Nagely on February 18th.

There are eight (8) months remaining to complete the 2018 Texas Miata Challenge. It sounds like a long time, but the time seems to go by pretty fast. When you plan to take off for some of the far-away challenge spots and would like some company, let people know. You might be surprised about how many others might want to tag along (maybe, just for the ride). The best thing to do is create a pop-up event and get an Evite created. Remember to get all the pictures taken of you and your car and send them to Bruce Gibson at [brucegibson5@gmail.com](mailto:brucegibson5@gmail.com), or you can check in on the website and upload your pictures.

Our next meeting will be on the second Thursday of next month, March 8th at Spring Creek Barbecue located at 315 State Hwy 114W in Grapevine. The meetings will begin at 6:30 PM.

# *Where we've been: January*

## To Tishomingo and Back

We had 11 cars run up 35W from Denton. We made a quick stop at the Miata Challenge site in Gainesville, then on up to drive by Turner Falls and stop at the Arbuckle Fried Pie store there. We were met at the Fried Pie store by 15 cars from the Central Oklahoma Miata Club from Oklahoma City. They went with us through a tour of the Arbuckle Mountains area ending up in Tishomingo, where we shopped, ate at Blake Shelton's Ole Red, then everyone made it home on their own.

# Events & Items of Interest

## Don't forget the LSMC website

<http://www.internetcarclubs.com/Clubs/LoneStarMiataClub.aspx>

Doug Dodgen maintains our website to make it the best place to check information about the club. He has added the yearly calendar so you can plan for upcoming rides. Keep in mind that dates are subject to change. Members can log in and modify their contact information as well as add a profile picture. You will no longer get a PDF directory of members. If you have questions about editing your information, please contact Doug. The main page of the Lone Star Miata Club part of the website contains a link to our [www.LSMiata.org](http://www.LSMiata.org) blog site where links to newsletters will continue to be published.

Check us out at <http://www.internetcarclubs.com/Clubs/LoneStarMiataClub.aspx>!

If you have not renewed your membership for 2018, please do so ASAP. You will be removed from the club roster and from Evites after March 31. Dues are \$39 for couples who both want to join, and \$30 for singles. Your dues go toward doorprizes, club insurance, and supplementing costs for annual events such as the Christmas party and picnic.

## *From your editor*

Don't forget the photo sharing site at <http://lonestarmiataclub.shutterfly.com/>. You have to create a free Shutterfly account to gain access. We also share photos on Facebook, so join us at the Lone Star Miata group.

When you lead a drive, please print participant waivers from <http://lsmiata.org/events/>. It's a good idea to have maps with your phone number printed on them for a trip. Also be sure to bookmark the blog page <http://lsmiata.org> and the website at <http://www.internetcarclubs.com/Clubs/LoneStarMiataClub.aspx> to get all the latest information about us.

## *A note about Evites...*

Evites go to one per car/couple so as to reduce confusion in responses. The person responding can change the number of attendees to an event, but having one Evite eliminates the need for both people in a couple to respond. ALL members should be getting emails generated by the website, and all members can access the Evites from the website event listing and, in most cases, from Facebook (members only events are not publicized on Facebook).

If you are not getting emails generated from the website, please see Doug Dodgen to verify your membership information. If you need help accessing Evites from the website, please contact Doug or Julia for instructions.

Evites always contain the phone number of the person leading the drive/event. If you have questions or are running late, please contact that person.

## WHAT IS MIATAS AT THE GAP?

Simply put, MATG is THE longest running Miata gathering in the country. Located in the midst of some of the greatest driving roads in the country, we are one of the largest gatherings of Mazda Miatas and owners in the US.

### Who?

Attendees range from Miata newbie to 20+ year veteran and their vehicles from stock to Excocet/track rat and all forms in between. They come from all walks of life and some even come from other countries to attend each year. The cars were meant for these roads and the area doesn't disappoint.

### Why?

Miata, MX-5, Eunos Roadster, whatever you call it, the Mazda Miata is the most popular sports car ever made. With more than 1,000,000 built since 1989 and fans and enthusiasts the world over love to come together to enjoy great driving roads, make lasting friendships, and enjoy being a part of the greatest group of car enthusiasts around.

### Where?

Ground Zero for the event is the Fontana Village Resort (link, map) located in the middle of Miata driving paradise. The main attraction for the Miata enthusiast is the legendary Tail of the Dragon. Being in close proximity to other options like Wayah Road, the Cherohala Skyway, Moonshiner 28, Devil's Triangle TN, Six Gap in Georgia, and Diamondback 226A means endless hours and days of driving bliss.

### Other Details

We have vendors for all types of Miata upgrades, a tent with event t-shirts and commemorative dash plaques, a schedule of organized drives, and the infamous beer and wine swap on Saturday night. There is also a General Store nearby to keep you fed and hydrated for your driving adventures while providing a great meeting point.

Ads, announcements, articles, trip reports and other contributions to the newsletter are **encouraged**. Email submissions to [Newsletter@lsmiata.org](mailto:Newsletter@lsmiata.org). Attachments may be in .pdf, .txt, Word or WordPerfect format. Pictures may be in any of the usual formats such as .gif, .jpg, png, etc. If I have any problems with document or picture format, I will contact you. Don't worry about spelling, grammar, artwork, layout, etc. I'm just pleased to receive input and will take care of the editing and cosmetics! Also, if you find something interesting online, please send me the link. Input is welcome anytime, but must be received prior to the publishing deadline (usually the first of the month) to be in the next issue.

NOTE: If you want the newsletter sent to more than one email address, your secondary driver, or anyone else, please send your name (so I know you're a member) and the email address(es) to [Newsletter@lsmiata.org](mailto:Newsletter@lsmiata.org).

ANOTHER NOTE: Member in Good Standing (you've paid your dues) may submit ad copy or info on their business. Does **not** have to be a Miata- or car-related business, but it must be **your** business. Others may advertise, too, for a fee. Contact the [President@lsmiata.org](mailto:President@lsmiata.org) for details.

## Two-Way Radios

For more fun on drives, if you don't have a two-way radio, get one. Without one, you miss out on a lot of chat and decision making as to stops, etc. Most importantly, should you get separated from the group or have car trouble; it makes it much easier for us to find you and assist you! LSMC uses GMRS/FRS radios for better range and reception. An operating license is not required when used in the FRS range.

## Stuff for Sale and Announcements

LSMC permits all members in good standing to place a free ad or event announcement in the LSMC Newsletter. The item should relate to the Miata or Club activities. This includes activities hosted by other clubs, Car-related events of general interest are also welcome.
