From the President...

We had a good turnout for our meeting this month with over 34 people attending. Congratulations to Stevan Boyd for winning the 50/50.

The 2019 Miata is expected to begin production in this month with an estimated release date sometime in July. A NHTSA filing suggests the car may gain an upgraded 2.0-liter engine that produces 181 hp, but Mazda has not yet confirmed how the additional HP will be achieved. Rumor has it that Mazda will use the existing SkyActiv G spark ignition engine with a new cylinder head for higher revs along with lighter pistons and rods and a new crankshaft. The engine will have larger intake and exhaust ports, a high-lift camshaft, and a new throttle body. To handle the power and reduce noise and vibrations, the 2019 Miata will come with a dual-mass flywheel, which is, sadly, heavier and more complex than the one used in previous models. Other changes include a rearview camera and Mazda's Smart City Brake Support system. At low speeds, the system prepares the brakes if it detects a risk of a collision so that maximum stopping power is available to the driver. If the driver doesn't intervene, the system will apply the brakes while reducing engine output in hopes of avoiding the collision or reducing its severity.

If you are looking for some fun Memorial Day weekend activities, you might consider the Granbury area. Stevan Boyd suggested a visit to the Breckenridge Airshow on Saturday, May 26, in Stephenville (<https://breckenridgeairshow.com/>). Also, the patriotic festival, taking place May 26-28 on the Historic Granbury Square, will feature family activities, arts and craft booths, food vendors, patriotic live music, vintage military vehicles, hot dog eating contest, a pie baking contest, activities for the entire family, and so much more. And if you are interested in putting a Miata run together that would include some of these events, let us know.

Don't forget to register for the Ancient Ovens run by the end of May. Refer to the event notification or Evite for payment information. There are only 30 seats available, so register quickly. The cost is \$24 per person, whether you eat or not.

It's time for our run to Arkansas. Bruce Gibson has put together a fantastic three-day trip up through North Texas and Oklahoma into Arkansas. We will drive the Talimena Trail and on up to Mountainview where we will hook up with the NW Arkansas Miata Club for a great time.

Next week is the steak run to Hico. Mary has set up a good run with a fun day at the Steak Cook-Off in Hico on 5/19. Check your Evite or the website for details.

It was great to see Richard Rogers in attendance. We wish him a speedy recovery, so we can put him back to work. And speaking of that, Richard and Terrie will be leading us up to the Blue Ostrich Winery on June 2. Keep an eye out for the invitation.

There are five months remaining to complete the 2018 Texas Miata Challenge. I hope you are making good progress. When you plan to take off for some of the far-away challenge spots and would like some company, let people know. You might be surprised about how many others might want to tag along (maybe, just for the ride). The best thing to do is create a pop-up event or get an Evite created. Remember to get all the pictures taken of you and your car and send them to Bruce Gibson at brucegibson5@gmail.com, or you can check in on the website and upload your pictures.

Registration is open for the 2018 Texas Miata Roundup. Go in now and register. Also, if you haven't, already, make your hotel reservations.

Our next meeting will be on Thursday, June 14, at Spring Creek Barbecue located at 315 State Hwy 114W in Grapevine. The meeting will begin at 6:30 PM.

Events & Items of Interest

Don't forget the LSMC website

<http://www.internetcarclubs.com/Clubs/LoneStarMiataClub.aspx>

Doug Dodgen maintains our website to make it the best place to check information about the club. He has added the yearly calendar so you can plan for upcoming rides. Keep in mind that dates are subject to change. Members can log in and modify their contact information as well as add a profile picture. You will no longer get a PDF directory of members. If you have questions about editing your information, please contact Doug. The main page of the Lone Star Miata Club part of the website contains a link to our www.LSMiata.org blog site where links to newsletters will continue to be published.

Check us out at <http://www.internetcarclubs.com/Clubs/LoneStarMiataClub.aspx>!

If you have not renewed your membership for 2018, please do so ASAP. You will be removed from the club roster and from Evites after March 31. Dues are \$39 for couples who both want to join, and \$30 for singles. Your dues go toward doorprizes, club insurance, and supplementing costs for annual events such as the Christmas party and picnic.

From your editor

Don't forget the photo sharing site at <http://lonestarmiataclub.shutterfly.com/>. You have to create a free Shutterfly account to gain access. We also share photos on Facebook, so join us at the Lone Star Miata group.

When you lead a drive, please print participant waivers from <http://lsmiata.org/events/>. It's a good idea to have maps with your phone number printed on them for a trip. Also be sure to bookmark the blog page <http://lsmiata.org> and the website at <http://www.internetcarclubs.com/Clubs/LoneStarMiataClub.aspx> to get all the latest information about us.

A note about Evites...

Evites go to one per car/couple so as to reduce confusion in responses. The person responding can change the number of attendees to an event, but having one Evite eliminates the need for both people in a couple to respond. ALL members should be getting emails generated by the website, and all members can access the Evites from the website event listing and, in most cases, from Facebook (members only events are not publicized on Facebook).

If you are not getting emails generated from the website, please see Doug Dodgen to verify your membership information. If you need help accessing Evites from the website, please contact Doug or Julia for instructions.

Evites always contain the phone number of the person leading the drive/event. If you have questions or are running late, please contact that person.

Texas Region SCCA's 2018 Tulip Time Rally

You are invited to join us for the next Texas Region SCCA Road Rally, to be held in May. We will tour Collin County, a little bit of Fannin County, and visit a number of cemeteries. Course following will be easy. All roads are paved, except some short sections leading to and inside cemeteries.

Rally Day is Saturday, May 12. Registration opens at 9:00 am at Spring Creek Barbeque, 1993 N Central Expy, McKinney, TX 75071. The finish will be there as well. First car starts at 10:31 am.

You will be directed to a number of area cemeteries. At each you will record the cemetery name(s) and answer questions from signs or tombstones. We also ask a few questions for you to answer as you drive between cemeteries. You will never be looking for more than one thing between instructions.

This is an SCCA GTA (Games, Tours, Adventures) rally. The course is about 90 miles on public roads at legal speeds. Any street-legal, four-wheel vehicle with at least two people who can read in the car may enter.

The Rally Fee is \$20.00 for SCCA Members, and \$25.00 for non-members. There is a \$5.00 late fee if you are not preregistered at MotorSport.reg. Go to msreg.com/TTR18msr to preregister now. There are four classes: First Timer, Novice (<3 rally trophies), General, and Master (optional class: no trophies given). The Rallymaster is Sasha Lanz.

When you register at MotorsportReg.com, we will add you to the rally mailing list, so that we can send you the rally rules a few days before the event.

Texas Region SCCA (www.texasscca.org) is affiliated with the Sports Car Club of America (www.scca.com). With over 65,000 members, and with Regions all over the United States, the Club offers car related activities in a broad range of automotive events.

This is the second event in the 2018 Texas Region SCCA Championship RoadRally Series. This rally is sanctioned as a Divisional Rally by SCCA, and is a part of the National SCCA RoadRally Championship.

Let's go eat some steak and drink some Texas wine! Dave and I are leading a drive west and south of Fort Worth, along beautiful Texas country backroads. I have secured private parking a couple of blocks from the action, so we don't have to worry about anything happening to our babies. Make sure you bring your coolers with drinks and snacks-the event is "open container", so no need to purchase overpriced drinks (alcoholic and non). I have also secured access to a storefront downtown where we can store our coolers, so we can get to them easily.

Tickets for appetizers, wine tasting, and steak dinner can be purchased individually at texassteakcookoff.com (appetizers are included with the dinner). It is advised to purchase in advance, as there is no guarantee of availability the day of the event.

WHAT IS MIATAS AT THE GAP?

Simply put, MATG is THE longest running Miata gathering in the country. Located in the midst of some of the greatest driving roads in the country, we are one of the largest gatherings of Mazda Miatas and owners in the US.

Who?

Attendees range from Miata newbie to 20+ year veteran and their vehicles from stock to Excocet/track rat and all forms in between. They come from all walks of life and some even come from other countries to attend each year. The cars were meant for these roads and the area doesn't disappoint.

Why?

Miata, MX-5, Eunos Roadster, whatever you call it, the Mazda Miata is the most popular sports car ever made. With more than 1,000,000 built since 1989 and fans and enthusiasts the world over love to come together to enjoy great driving roads, make lasting friendships, and enjoy being a part of the greatest group of car enthusiasts around.

Where?

Ground Zero for the event is the Fontana Village Resort (link, map) located in the middle of Miata driving paradise. The main attraction for the Miata enthusiast is the legendary Tail of the Dragon. Being in close proximity to other options like Wayah Road, the Cherohala Skyway, Moonshiner 28, Devil's Triangle TN, Six Gap in Georgia, and Diamondback 226A means endless hours and days of driving bliss.

Other Details

We have vendors for all types of Miata upgrades, a tent with event t-shirts and commemorative dash plaques, a schedule of organized drives, and the infamous beer and wine swap on Saturday night. There is also a General Store nearby to keep you fed and hydrated for your driving adventures while providing a great meeting point.
