If you have questions about editing your information, please contact Doug. The main page of the Lone Star Miata Club part of the website contains a link to our www.LSMiata.org blog site where links to newsletters are published.

From your editor

When you lead a drive, please print participant waivers from <http://lsmiata.org/events/>. It's a good idea to have maps with your phone number printed on them for a trip. Also be sure to bookmark the blog page <http://lsmiata.org> and the website at <http://www.internetcarclubs.com/Clubs/LoneStarMiataClub.aspx> to get all the latest information about us.

A note about Evites...

Evites now go to all emails on file. One person responding can change the number of attendees to an event if both people in a couple don't want to respond. ALL members should be getting emails generated by the website, and all members can access the Evites from the website event listing and, in most cases, from Facebook (members only events are not publicized on Facebook).

If you are not getting emails generated from the website, please see Doug Dodgen to verify your membership information.

Evites always contain the phone number of the person leading the drive/event. If you have questions or are running late, please contact that person.

Around the middle of March I will be posting them there.
- If you have any questions post them in the [2019 Sweetheart Ride Road Rally topic](https://www.texasscca.org/phpBB3/) on the [TR Forum](https://www.texasscca.org/phpBB3/) or contact the rallymaster at jerryw@illinoisalumni.org.

Newsletter Submissions & Distribution

Ads, announcements, articles, trip reports and other contributions to the newsletter are **encouraged**. Email submissions to Newsletter@lsmiata.org. Attachments may be in .pdf, .txt, Word or WordPerfect format. Pictures may be in any of the usual formats such as .gif, .jpg, png, etc. If I have any problems with document or picture format, I will contact you. Don't worry about spelling, grammar, artwork, layout, etc. I'm just pleased to receive input and will take care of the editing and cosmetics! Also, if you find something interesting online, please send me the link. Input is welcome anytime, but must be received prior to the publishing deadline (usually the first of the month) to be in the next issue.

NOTE: If you want the newsletter sent to more than one email address, your secondary driver, or anyone else, please send your name (so I know you're a member) and the email address(es) to Newsletter@lsmiata.org.

ANOTHER NOTE: Member in Good Standing (you've paid your dues) may submit ad copy or info on their business. Does **not** have to be a Miata- or car-related business, but it must be **your** business. Others may advertise, too, for a fee. Contact the President@lsmiata.org for details.

Two-Way Radios

For more fun on drives, if you don't have a two-way radio, get one. Without one, you miss out on a lot of chat and decision making as to stops, etc. Most importantly, should you get separated from the group or have car trouble; it makes it much easier for us to find you and assist you! LSMC uses GMRS/FRS radios for better range and reception. An operating license is not required when used in the FRS range.

Stuff for Sale and Announcements

LSMC permits all members in good standing to place a free ad or event announcement in the LSMC Newsletter. The item should relate to the Miata or Club activities. This includes activities hosted by other clubs, Car-related events of general interest are also welcome. Contact the editor at Newsletter@lsmiata.org to place an ad or announcement.
