*From the Editor:*

Doug Dodgen had another great “Ice Cream” location with Gellato. Terrie and I enjoyed a cup, and you could choose two different Gellatos in the same cup. Doug Dodgen’s write-up and some pictures are later in this newsletter.

The next day, Mar. 2, it was forecast to be in the 80’s, and Brent Kemish planned a BBQ run to Wood and Time Smokehouse in Farmersville. We had been there a couple of years ago and enjoyed going back. Check out the write-up later in this newsletter.

Graig Woolheater’s March Miata Madness was held on March 21 to 23. It was held in Craig’s town of Jefferson, TX. Terrie and I did not make it this year. I found some notes and pictures on FaceBook, and have included them in the newsletter. This has always been a fun event with dinners, runs in the country, and a Miata Car Show. Bernie Parker’s beautiful Yellow NA Miata won the Best In Show award.

As I write this newsletter in the last week in March, temperatures are in the 70’s and 80’s. We look forward to the Ice Cream Social on Apr. 1, the Laps For Charity at Texas Speedway on Apr. 5, the music under the Texas stars with a Chicago Tribute Band in Anna on Apr. 12, and our Club picnic in Grapevine on Apr. 26. The Club will be providing BBQ for the picnic, and members are welcome to bring desserts and sides.

# TIFA Chocolate and Gelato Ice Cream Social – March 1, 2025

On March 1st, 17 members of the Club attended our monthly Ice Cream Social.

Winter mostly held off for our March Ice Cream Social. The air conditioning made up for the lack of cold weather so jackets were very popular. About 11 club members met at Pot Bellies in Euless for sandwiches and salads before we all headed over to the TIFA Chocolate and Gelato shop for some really good cold treats. We were joined there by 6 more members. No one was disappointed! A lot of talking and a lot of eating and some licking followed.

# Winter Weekend BBQ Run – March 2, 2025

Today's LSMC drive was an absolute blast! We kicked things off at Buc-ee's in Melissa, where 12 Miata's with 19 drivers and passengers gathered for the start of what would turn out to be a fun-filled trip north of McKinney. Although the morning started off a little chilly, the weather warmed up beautifully by the time we wrapped up, reaching a perfect 75 degrees under sunny skies.

We visited one of the 2025 TX Miata Challenge locations for a group photo(Anna, TX), and cruised through some of the best roads in the area - hitting FM-455 and FM-697. Both roads offered some scenic views and thrilling twists, making for a great driving experience. FM -697 is often called The Ida Highway. It was under construction and blocked near the end, so drove to the road block, turned around and drive back. Lynne counted 24 curves each way for 48 total curves.

After the drive, we made our way to **Wood and Time Smokehouse** in Farmersville for a delicious lunch. Everyone left with full stomachs, big smiles, and memories of another unforgettable club drive. Looking forward to the next one! Submitted by Brent Kemish.

# March Miata Madness 2025

March Miata Madness took place March 21-23, 2025 in Historic downtown Jefferson, TX. Below are some notes and photos copied from FaceBook.

From Amy and Dan at Track Dog, posted Sat. 3/22. "What a thrill to spend the day with such dedicated Miata enthusiasts! My face hurts from all the happy smiles. The cars were stunning. Jefferson's roads are a treasure. It was the perfect blend of excitement and joy. You all are the heart and soul of why we love what we do!"

# Friday Night Lights

The 2025 Texas Miata Challenge

Presented by

Lone Star Miata Club

Friday Night Lights, a Texas tradition every year during the Fall semester, determines the State Football champions in 12 Interstate Scholastic Divisions. The divisions are based on the number of students per district which determines whether they play 6 or 12 man football. The Challenge recognizes the Texas High School State Champions of 2023.

## Instructions for Friday Night Lights, 2025 Texas Miata Challenge

1. To complete the Challenge, Drive to 10 of the 12 Division Champion 's Football Stadiums, take a picture of you and your Miata. If the stadium gates are locked or other catastrophic conditions exist take the best picture possible of you and your Miata. Worst case scenario a picture in front of the High School with you and your Miata.

2. EMAIL your pictures to [lsmc2020ND@gmail.com](mailto:lsmc2020ND@gmail.com). Or POST to the Lone Star Miata Club Facebook page.

3. The Challenge ends September 30, 2025. To be counted in the Challenge, the pictures need to be posted or emailed by September 30.

Participating in the Challenge is a fun way to see parts of Texas you may not have thought of going to or exploring. Think about inviting others to come along on the Challenge. Should you go with a group, a single Miata picture of you and your Miata is appreciated.

4. Those who complete the Challenge will be recognized at the Lone Star Miata Club October 2025 club meeting.

## *Newsletter Submissions & Distribution*

Ads, announcements, articles, trip reports and other contributions to the newsletter are **encouraged**. Email submissions to [Newsletter@lsmiata.org](mailto:Newsletter@lsmiata.org). Attachments may be in .pdf, .txt, Word or WordPerfect format. Pictures may be in any of the usual formats such as .gif, .jpg, png, etc. If I have any problems with document or picture format, I will contact you. Don't worry about spelling, grammar, artwork, layout, etc. I'm just pleased to receive input and will take care of the editing and cosmetics! Also, if you find something interesting online, please send me the link. Input is welcome anytime, but must be received prior to the publishing deadline (usually the first of the month) to be in the next issue.

NOTE: If you want the newsletter sent to more than one email address, your secondary driver, or anyone else, please send your name (so I know you're a member) and the email address(es) to [Newsletter@lsmiata.org](mailto:Newsletter@lsmiata.org).

ANOTHER NOTE: Member in Good Standing (you've paid your dues) may submit ad copy or info on their business. Does **not** have to be a Miata- or car-related business, but it must be **your** business. Others may advertise, too, for a fee. Contact the [President@lsmiata.org](mailto:President@lsmiata.org) for details.

## *Two-Way Radios*

For more fun on drives, if you don't have a two-way radio, get one. Without one, you miss out on a lot of chat and decision making as to stops, etc. Most importantly, should you get separated from the group or have car trouble; it makes it much easier for us to find you and assist you! LSMC uses GMRS/FRS radios for better range and reception. An operating license is not required when used in the FRS range.

## *Stuff for Sale and Announcements*

LSMC permits all members in good standing to place a free ad or event announcement in the LSMC Newsletter. The item should relate to the Miata or Club activities. This includes activities hosted by other clubs, Car-related events of general interest are also welcome. Contact the editor at [Newsletter@lsmiata.org](mailto:Newsletter@lsmiata.org) to place an ad or announcement.

## *Change of Address & Member Info*

Be sure to keep your contact information and particularly your email address up-to-date; you don't want to miss anything! Submit your email address, snail mail address, new car info and any other contact information changes to the Membership Officer at [Membership@lsmiata.org](mailto:Membership@lsmiata.org). A form also is available on our website. Just click 'Membership' and select the text 'update' to update your information.
